## Governor of the State of Texas

TO ALL TO WHOM THESE PRESENTS SHALL COME:

I have today vetoed Senate Bill 9, passed at the 2nd called session of the 44th Legislature, for the following reasons:

This bill strikes out Section 9 of Senate Bill 19, acts of the 1st called session of the 44th Legislature, requiring certain items and claims to be audited by the State Auditor and Efficiency Expert and the State Comptroller and approved by the Attorney General. Had it not been for this provision in the appropriation act (Senate Bill 19, acts, 1st c.s.), I would have required these claims to be audited and approved both by the State Auditor and the Attorney General before signing the bill.

I was requested to submit this matter at the 2nd called session and refused to do so because upon investigation I found that the State Auditor had not approved these items. Upon investigation I find that the State Auditor has already begun his work and has discovered a number of discrepancies. I feel that every safeguard should be taken to see that these claims are properly and legally payable.

IN TESTIMONY WHEREOF,

I, James V. Allred, Governor of Texas,

have hereunto set my hand and caused the  
official seal to be affixed hereto

this 16th day of November, A.D., 1935
